# What are the benefits ?

**Increase your chances of landing your dream job!**

Companies on the Forage platform report that students who have completed a job simulation are 2× more likely to get hired.

This activity gives you a hands-on experience of what real interviews feel like — helping you build the confidence and skills you need to become corporate-ready.

## **What You'll Gain**

- **Learn by Doing:** Practice your interview skills through a real-time job simulation.
- **Build Confidence:** Gain the self-assurance to face real recruiters and hiring panels.
- **Develop Self-Awareness:**
  - Understand where you are now
  - Identify where you want to be
  - Recognize what improvements are needed
- **Boost Your Profile:** Strengthen your candidature and professional readiness through this practical experience
