NOTIFICATION

Subject: **MANDATORY WEARING AND POSSESSION OF UNIVERSITY
IDENTITY CARD ON UNIVERSITY CAMPUS**

It is hereby notified for the information of all students that carrying and prominently wearing the University Identity Card at all times within the University Campus is strictly mandatory. This requirement applies without exception and is essential to ensure the safety, security, and proper identification of all individuals present on campus.

1. Mandatory for Entry:

Effective immediately, physical possession of the original University Identity Card is compulsory for entry into the University Campus.

Soft copies, photographs, scanned images, mobile phone displays, or any other digital/alternative forms of ID will not be accepted under any circumstances. Only the physical, original University Identity Card will be considered valid for campus entry. Students failing to produce the same shall not be permitted to enter the campus.

2. Must Be Worn at All Times:

All students must wear their University Identity Card visibly around the neck throughout their presence on campus. Keeping the ID card inside bags, wallets, or pockets will be treated as non-compliance.

3. Strict Enforcement:

Security Staff and authorized officials have been instructed to conduct ID checks at entry gates and at any point inside the campus.

Any student found without the physical, original ID card will be subject to immediate entry denial and may also face disciplinary action, including warnings, recorded violations, or further measures as deemed necessary by the University authorities.

All students are directed to adhere to this instruction with utmost seriousness. No relaxation, exemption, or alternative form of identification will be entertained.
