An AR-first startup dedicated to making cutting-edge technology intuitive, accessible, and useful for everyone.

Swift Student Challenge 2025

Global app challenge by Apple: Galgotias on the World Stage

Through code and creativity, they created solutions for the world. Proud of our 10 global stars.

Apple hosts the Swift Student Challenge each year—a prestigious global competition that celebrates the creativity and coding talent of young app developers. In 2025, our students stood out on the world stage, with 10 of the 350 global winners emerging from Galgotias. This extraordinary achievement reflects their passion, dedication, innovation, and ability to solve realworld problems through code, inspiring peers and bringing pride to the entire community.

Abu Shahma Ansari, Aditya Rai, Arnav Chauhan, Avineet Singh Juneja, Harshit Gupta, Kavyansh Pratap Singh, Mayank Verma, Praveen Shrivastav, Raj Pratap Singh and Nalinish Ranjan
